Mixes Instantly

Contains rBST-Free, Grass-Fed Whey

Kosher & Halal

All-Natural Formula

Lactose & Gluten Free

NET WT:
2lb (907g)

To use the detachable, reusable clip included in every bag of Nectar[®], follow the instructions below:

1. Cut off the clip with scissors or snap off by pulling the clip straight up.

2. Fold bag over at least twice and slide clip on the top for a tight lock.

Pro Tip: Clip is reusable for other products such as cereal, snacks, etc.

NECTAR[®]
NATURALS

syntrax[®]
NECTAR^{NATURALS}
NATIVE WHEY PROTEIN ISOLATE

Reminiscent of times gone by, Nectar[®] Naturals conjures images in which man and nature reside in harmony. Toiling in the field with one's own hands, cooking from scratch in the kitchen, picking and eating fruit fresh from the tree. Nectar[®] Naturals is the obvious, evolutionary progression of our flagship product Nectar[®]. Containing no artificial sweeteners, colors or flavors, Nectar[®] Naturals is designed for those who want only the highest-quality ingredients. Nectar[®] Naturals...from nature...bringing you back to nature.

To ensure that Nectar[®] Naturals tastes every bit as good as regular Nectar[®], we reformulated and drastically improved its sweetening system. No longer is there a slight, strange aftertaste that is typical of natural sweeteners, such as stevia. Working tirelessly over the past several years, we developed a proprietary, all-natural sweetening system that equals the sweetness and tastiness of real sugar. What is missing? Only the negative health effects associated with sugar's consumption. Nectar[®] Naturals is available in both creamy and fruit-juice type flavors.

INGREDIENTS: Whey protein isolate*, natural flavors, lecithin, stevia extract, salt, monk fruit concentrate.

CONTAINS: Milk, Soy. Produced in a facility that uses egg, wheat and peanut products.

* Ultrafiltered and undenatured; includes beta lactoglobulin, alpha lactalbumin, glycomacropetides, immunoglobulin, b.s. albumin, protease peptone, lactoferrin, lactoperoxidase.

SUGGESTED USE: Based on taste preference, vigorously mix one scoop of Nectar[®] per 6-10 oz of water or milk for 30-60 seconds. For those with lower protein needs, one half scoop may be consumed with 3-5 oz of water or milk. Consume Nectar[®] two to three times per day to satisfy your protein requirements. Remember, the best times for consuming protein are immediately upon rising in the morning, after intense physical activity, such as weight training, and prior to sleep. Nectar[®] mixes instantly with a spoon and tastes great... GUARANTEED!

Notice: Use this product as a food supplement only. Do not use for weight reduction.

Every Nectar[®] contains a FreshShield™ sachet which removes all oxygen inside the package leaving only inert gases, such as nitrogen. Without oxygen, these inert gases envelop and protect the delicate protein powder and flavoring molecules from oxidation, rancidity, and bacterial growth. Our proteins are unique in their ability to have the same quality and taste from the day of manufacturing to the "best by" date.
