

Welcome to the critically acclaimed world of Nectar®! Gone are the days of low-quality whey protein. Gone are the days of those blah-tasting protein drinks that promise much but deliver little. Nectar® once and for all breaks the mold by combining Promina™, the highest-quality whey protein isolate ever developed, with a flavoring system so fruitilicious that you will never drink a different whey protein shake again.

If you like the refreshing taste of fruit juice, you'll love Nectar®! With its mouthwatering fruit flavors, Nectar® is truly a protein drink you will look forward to drinking each and every day. Whether it be Apple Ecstasy, Caribbean Cooler, Crystal Sky, Fuzzy Navel, Lemon Tea, Pink Grapefruit, Roadside Lemonade, Strawberry Kiwi, Twisted Cherry or Wild Grape, Nectar® will keep you coming back for more.

What's more, we did something totally amazing by engineering Nectar® to be so delicious that you can eat it right out of the container. Imagine putting a protein powder in your mouth and it tasting like candy. Imagine this protein powder having ZERO carbs and ZERO fat. Stop imagining! We've brought you Nectar®!

**SUGGESTED USE:** Based on taste preference, mix 2-4 oz of water per serving (1/4 scoop) of Nectar®. One full scoop, providing 23 g of protein, 0 g of fat and 0 g of sugar, may be mixed with 8-16 oz of water. Consume the desired number of servings two to three times per day to satisfy your protein requirements. Remember, the best times for supplementing protein are immediately upon rising in the morning, after intense physical activity, such as weight training, and prior to sleep. Nectar® mixes instantly with a spoon and tastes great . . . GUARANTEED!

Notice: Use this product as a food supplement only. Do not use for weight reduction.
