NECTAR[®] SWEETS[®]
NATIVE WHEY PROTEIN ISOLATE

Imagine what would happen if the Nectar[®] name, and the superior quality and taste that it symbolizes, was fused to sweet, scrumptious epicurean delights that a person might find in a high-end candy boutique or bakery? The result would be an irresistible protein shake that would be an absolute pleasure to consume.

Good news is now at hand! No longer do you have to imagine! We have taken all of the great things about the Nectar[®] product line and combined them with amazing sweet flavors that are out-of-this-world delicious. Let us introduce you to Nectar[®] Sweets...the epitome of gourmet taste in the form of the healthiest protein drink ever created.

As with the entire Nectar[®] lineup, expect the exceptional with Nectar[®] Sweets. Expect exquisite and full-bodied gourmet flavors; expect instant mixability with only a spoon; expect the highest-quality, native whey that derives from rBST-free cows that feed on grass and forage; and expect an experience that makes you feel like you are on top of the world.

Every Nectar[®] contains a FreshShield[™] sachet which removes all oxygen inside the package leaving only inert gases, such as nitrogen. Without oxygen, these inert gases envelop and protect the delicate protein powder and flavoring molecules from oxidation, rancidity, and bacterial growth. Our proteins are unique in their ability to have the same quality and taste from the day of manufacturing to the "best by" date.
